### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing appli-  
cation, and do hereby grant the same, subject to the following lim-  
itations and conditions: This permit is issued with the provision  
that the waters of Duck Creek, or its tributaries shall not be diverted;  
such water being already appropriated By John W. Tuck under permit  
No. 2299 issued from this office. No condition is placed on the  
use of the waters of the artesian wells stated in the application  
to be held by the applicant and herein applied for. It is expressly  
made a part of the permit that springs, even though situated on  
the land held by the applicant, which furnish any part of the  
flow of Duck Creek shall not be interfered with in any way, so  
as to prevent the above prior applicant or others from obtaining  
the amount of water to which they are entitled.  
The amount of water to be appropriated shall be limited to the  
amount which can be applied to beneficial use, and not to exceed  
One & 25/100 cubic feet per second.

Actual construction work shall begin on or before July 17th, 1913.

Proof of commencement of work shall be filed before August 17th, 1913.

Work must be prosecuted with reasonable diligence and be completed  
on or before December 17th, 1913.

Application of water to beneficial use shall be made on or before  
August 17th, 1917.

Proof of the application of water to beneficial use must be filed  
with the State Engineer on or before September 17th, 1917.

WITNESS MY HAND AND SEAL this 17th day of May, 1913.

Proof of labor filed AUG 11 1913

Map filed DEC 22 1913

W. H. Kearney  
State Engineer.
